In Loving Memory of

Shane Ramirez

(December 24, 1972 - March 15, 2009)

No eye has seen, no ear has heard, no mind has conceived what God has prepared for those who love him.

1 Corinthians 2:9

This memorial website was created to remember our dearest Son **Shane Ramirez** who was born in **Mesa Arizona** on **December 24, 1972** and became an Angle on **March 15, 2009** at the age of **36**. You will live forever in our memories and hearts.

He lived.

He loved.

He Fathered.

He Brothered.

Always the baby boy to his loving Mother.

While on Earth he felt much pain.

His eyes could see the sun, but his soul would feel the rain.

He was a Daddy to his Children, a king to his kin.

His demands were strong, his battles within.

Though he would drink, he was by no means weak.

He fought long and hard for the peace we all seek.

He may be gone now and we are right to miss him.

But he was only on lone to us.

From the God who made him.

He was called to Heaven for a very good reason.

As one more soul to serve as a Beacon.

Guiding his Children whenever they feel weakened.

To his family, someone to believe in.

God is watching.

Shane is rejoicing.

Celebrate his life and here is to hoping.

Where Shane now lives.

Thats where we will all be going.

The image features two roses, one smaller and one larger, positioned in the upper right quadrant. They are set against a textured, mottled background of warm, earthy tones, including shades of beige, tan, and light brown. The roses are rendered in a soft, painterly style, with delicate shading on their petals. The overall composition is centered and evokes a sense of quiet reflection and sympathy.

From his aunt

April 12, 2009

Well Barb and Family, I wish I had been staying closer to you all and can't begin to tell you how often I've thought about the wonderful times we all shared together. I can't even imagine what you all are feeling at this time. I do know we never expect to have to see one of our children, grandchildren, or siblings to go before us. But we know he no longer has to deal with all the things that he had wrong. We know that he must have had the things Barbi, and Barb had wrong and lets make sure the other children and

grandchildren check it out so we don't have this burden again. We were very lucky to have a wonderful memory and the internet because I have experienced thing so beautiful on his behalf I had know idea existed. May god be with you all and if you need anything don't hesitate and I love you all. Aunt Rose! Ha Ha!

The background is a textured, mottled brownish-gold color. In the upper right quadrant, there are two roses. The one on the right is larger and more open, while the one on the left is smaller and more tightly closed. Both roses are rendered in a light, almost white color, making them stand out against the darker background. The overall mood is nostalgic and elegant.

Memories

all the gray you turned into colors...

Landa (Ramirez) Beesley

I have many memories of Shane. Being only 11 months apart we experienced our whole lives together as if we were twins. Not only that, we were very close even if we did not talk often. I could always count on him to call me on my birthday and at Christmas/His birthday. I remember Shane and Tandy were together and Shane and my husband Tony becoming very close friends, our families spent alot of time together. We would cook out and go camping. The last time we camped with our families I found out I was pregnant with my son Anthony, now 11. My fondest moment with Shane though was a time I revealed a very painful moment from my childhood to him. We were sitting in the bathroom of all places! I was 15 and he was 16. He pulled me onto his lap and held me while we both cried together.

I love him way beyond words!

He is my brother!

Dena Erickson (SISTER)

Hey Brother!

There are sooo many memories I could share.... I think about you all the time. There were my pimpin days when I would bring you in women and you had no problem trying to take care of business. You were my mary J buddy for a long time. Sitting in you cars with stereos that had no rightly business being in those cars. You calling me right after I found out that I would probably not have children. Sitting with you and talking after you and Tandy had your falling out. Playing with you and your buddies as kids I tried so hard to keep up and you know I was pretty successful except for a few cuts, bruises and scars. The infamous tire swing that you made out of 10-speed tire that almost killed me when it broke and I feel 10 feet to the ground. SOOO many, I just dont think there is enough space. I love you brother and you will always be my big bro! The hard part is not having you here to tell you how much I love you!

Dawn Butler

I miss the texting, the 5 calls a day, the way you always would try

to convince me that we would be together. I miss how you would tell me that I was your best friend and how when I was down you would quote scriptures from the bible. I miss you telling me you love me....I miss you! I love you Shane.

Barbi Daniel-Spauling

So remember that time I came to visit you in AJ and you answered the door in your leopard bikini underwear. I hope your not wearing them in heaven Shane!

But guess what? I am a grandma! She's your life of death. I miss u so much
